

Touchpad Cleaner

C-6010

EAN: 9003308360105

CLEANS & PROTECT

- ▶ **SMARTPHONES**
- ▶ **TABLETS**
- ▶ **NETBOOKS**
- ▶ **GPS**

PREMIUM PRODUCT – „ TOUCHPAD CLEANER “

that not only cleans but leaves a long lasting **anti smudge effect** at the surface.

Excellent and effective cleaning, which at the same time gives the surface a „dirt-repellent effect“ to prevent touch residues. It is economical in use, water-based, antistatic and biological completely harmless. Special designed liquide in a pump-action bottle and a high quality microfibre cloth for polishing.

This handy, easy to use product guarantees gentle removal of smears and fingerprints for everyday constant used items like smartphones, tablets, netbooks, GPS...

Grease and sweat are easily wiped off, and the surface keeps longer clean.

- ▶ **high quality lint free microfibre cloth**
- ▶ **microfibre cloth can be used wet and dry**
- ▶ **washable 30°**
- ▶ **liquid contains no alcohol**
- ▶ **provides anti-static protection**
- ▶ **anti smudge effect**

Note:

Before application, refer to manufacture´s cleaning instructions. Switch off the device before cleaning. For cleaning, apply liquid to the microfibre cloth. Remove any liquid residue with dry side of the cloth to avoid strains.
